MEMORANDUM FOR: Chief, Planning and Program Coordination  
Staff, DD/P

SUBJECT: [REDACTED] Forecast  
of Logistical Requirements

REFERENCE: Memo from Chief, Planning and Program Coordination  
Staff, to Director of Logistics, subject as  
above, dated 27 September 1955

1. The Office of Logistics has initiated a comprehensive study of the present method of forecasting logistical requirements, with the objective of simplifying and streamlining the current procedures.

2. The results of the study will be incorporated in a draft of a substitute for [REDACTED] which will be provided as an agenda item for further conferences between the Office of Logistics and other interested elements.
